EDUCATION

Bachelor Of Computer Application
Poornima University – Jaipur, Rajasthan

2021-2024, Computer Science

Senior Secondary
Sri Guru Govind Singh College – Patna, Bihar

2019-2021, Commerce

TECHNICAL SKILLS

Languages: JavaScript, Python, C

Web Technologies: ReactJS, Redux, GSAP, Tailwind CSS, HTML, CSS

Concepts: Object Oriented Programming (OPPs), Functional Programming

Software: Visual Studio Code, PyCharm, Postman, Notepad++, Sublime Text, Git, Blender, MS word, MS PowerPoint

EXPERIENCE

Web Development Intern · 04/2023 – 05/2023
Siraom Pvt Ltd, Pune, Maharashtra

- Collaborated in the development of full-stack web applications using HTML, CSS, JavaScript, Node.js, ReactJs and related technologies.
- Implemented responsive design strategies, ensuring optimal user experiences across various devices and screen sizes.
- Actively participated in code reviews, contributing to the enhancement and optimization of existing full-stack web projects.

PROJECT

Portfolio Website
https://adityakrjha112.github.io/

- **Objective:-** Developed a personal portfolio website using ReactJS and Tailwind CSS to showcase professional experience and skills.
- **Role and Contributions:-** Designed and implemented the entire website, emphasizing a clean and modern UI. Integrated React icons for visual appeal and utilized smooth scroller for seamless navigation between sections.
- **Technical Skills Demonstrated:-** Mastery of ReactJS for single-page application structure, Tailwind CSS for styling, and smooth scroller implementation for enhanced user interaction.

Web Notebook
https://shortnotes-e7fee.web.app/

- **Objective:-** Developed a Web Notebook app using ReactJS, TypeScript, and Tailwind CSS for local note storage in web browsers.
- **Role and Contributions:-** Led end-to-end development, implemented CRUD operations, and designed a user-friendly UI.
- **Technical Skills Demonstrated:-** ReactJS for a dynamic interface, Tailwind CSS for modern styling, and local storage integration for persistent note-saving.

ShapShot
https://ShapShot-e7fee.web.app/

- **Objective:-** Front-End Developer skilled in ReactJS and Tailwind CSS, seeking opportunities to contribute to dynamic e-commerce projects.
- **Role and Contributions:-** As the lead front-end developer for SnapShop, I designed and implemented the user interface using ReactJS and Tailwind CSS. My contributions include optimizing the "Add to Cart" functionality through efficient state management with Redux Toolkit. I also played a key role in developing a dynamic product catalog and improving shopping cart features for a seamless user experience.
- **Technical Skills Demonstrated:-** Proficient in ReactJS and Tailwind CSS, I designed dynamic and responsive user interfaces. Using Redux Toolkit, I ensured seamless functionality. Collaborating in cross-functional teams, I contributed to cohesive development, following agile methodologies and utilizing Git for version control. I demonstrated adaptability by responding to evolving project requirements and embracing emerging technologies.
